## Parent and Child Activity

Talk with your child about responsibility and why it's so important. Look for people who demonstrate responsibility.

Find an interesting article from the newspaper. While preparing dinner, ask your child to read it to you.

Most accidents happen at home. Review basic first aid with your child.

### Missing Textbooks and Library Books

Please take a moment and search under beds and on student bookshelves for any overdue books from our library or lost classroom textbooks. You will receive a bill for any books that have not been returned. Yearbooks and report cards will be held until all balances have been cleared. If the book is found after you have paid, your money will be refunded. Thank you for your support in teaching responsibility to our students. The library will be closing May 29 in order to take inventory.

### A Special Thank You

Thank you to all of the parents who helped with essential playground and parking lot supervision this school year. A very special thank you to all the volunteers who have helped regularly with yard duty and valets. We appreciate the time and dedication these parents have given to our school. We are currently in need of parents who can volunteer one/two days a week for next school year. Please contact Jackie Browning in the office if you are available.

### School Site Council Results

Congratulations to Rama Balakrishnan, Linda Hull and Ruth Stevens for being elected as representatives to the School Site Council for the 2009-10 school year. The council meets the first Thursday of every month at 3:40 pm in the GLC. The council meetings are open to the community.

### Lost and Found

Don't wait! Check the lost and found TODAY. The lost and found is put out each day until 3:30 p.m. near the front entrance of the school. All unclaimed items will be donated before the end of the school year.

### Summer Reading is a Fun Activity

To keep kids reading over the summer, treat it like any other summer activity. Show them how reading can be fun. In order to encourage your child to be a lifelong reader, help your child make a connection between books and the simpler pleasures of childhood. To take a "summer approach" to reading:

- Suggest that your child reread a favorite book. Then find another book by the same author or find one on the same topic.
- Connect books with other summer activities – sports books for a summer league player, for instance, or camping books for a camper.
- Invite your child to read the newspaper with you.
- Start your child on series fiction or thrillers. These "page turners" hook kids into a reading habit.
- Encourage a change of venue. Read books at the beach or pool, in a tent, or on the road.
- Watch movies, videos and plays based on children's books. Read the book and compare it with what you saw.
- Share your favorite books and magazines with your child.
- Use picture stories to reminisce with your child about your own childhood summers.
- Encourage your child to retell stories or story parts.

**NURSE'S NOTES:**

**Medications in the Health Office**

**Bonnie Hirsch, RN, MPH**

If you have stored your child's medications in the school health office, please make arrangements to take them home on the last day of school. Any medication that remains after the close of school will be discarded. If your children are attending summer school and will need the medication during the shortened day, please take it to that school site's main office on the first day of classes.

If it will be necessary for your child to receive medication during the school day next year, please pick up a blue *Medication Authorization* form at the school office before the last day of school, June 15th.

In order for either prescription or over-the-counter medications to be given at school, both the doctor and the parent must sign the form. When completed, bring the *Medication Administration* form and the medication (in the original container) to the secretaries in the school office.

If you have any questions or concerns, please contact me: voice-mail 408-252-3000 ext. 474 or E-mail [hirsch\\_bonnie@cupertino.k12.ca.us](mailto:hirsch_bonnie@cupertino.k12.ca.us)

Have a happy and healthy summer!

**End Of The Year Attendance**

Students must be in attendance on the last day of school to guarantee their place in the school they are registered in for the 2009-2010 school year. When the student returns, if space is available at his or her school, the student will be reinstated. If no space is available, the student will be assigned to another school in the district where space is available. If the student is ill, parents must notify the school of the absence and provide documentation.

When you are making travel plans, please consider the possible ramifications. If you have any questions, please contact Student Assignment at (408) 252-3000, Extension 110.
